|--------------|--------------------------------------------|-----|---|---------|-----------|
| Product name | Green Kratom Leaf Powder - Maeng Da, Green |     |   | RM code | RM120018  |
| Supplier     | Mr M. - Pathum Thani, Thailand             |     |   |         |           |
| MFG          | -                                          | EXP | - | Size    | 1,000 Kg. |

| Test Item         | Specification   | Results  | Method                                    |
|-------------------|-----------------|----------|-------------------------------------------|
| Physical test     |                 |          |                                           |
| Appearance        | Green powder    | Conforms | Visual                                    |
| Odour & Taste     | Characteristic  | Conforms | Visual                                    |
| Moisture content  | ≤ 5 %           | Conforms | National food safety standard (GB.5009.3) |
| Particle Size     | ≥120 mesh       | Conforms | Mesh size test                            |
| Chemical test     |                 |          |                                           |
| Pesticide Testing | Not Detected    | Conforms | Pesticide Residual test kit               |
| Assay             | >1% Mitragynine | 1.85%    | HPLC (In-house method)                    |

|                   |                                                           |
|-------------------|-----------------------------------------------------------|
| Conclusion        | Conform with the specification.                           |
| Storage condition | Keep closed, Store in a dry place and away from sunlight. |
| Shelf-life        | -                                                         |
